Mayor's Welcome

It is with great pleasure that I welcome you all to the 2021 Yorke Peninsula (YP) Art Exhibition. It is my honour to share this unique event with our community and visitors from far and wide this Easter.

After its postponement in 2020 due to Covid restrictions, the YP Art Exhibition is back with its 11th exhibition since commencing in 1999, turning into a biennial event in 2002.

I would like to take a moment to sincerely thank and acknowledge all the artists who registered in 2020 and have re-registered in 2021. Their understanding, on-going support and creativity is appreciated.

I would also like to recognise our dedicated Working Party members, particularly Carolyn Ramsey who came on board in 2019 to head the planning of 2020 and now, the 2021 Exhibition.

Further, I would like to acknowledge founding member Verna Lock, the driving force behind the establishment of the Exhibition. Verna's memory has continued on with the Verna Lock Memorial Award, awarded to a Yorke Peninsula subject created by a Yorke Peninsula artist.

This Exhibition would not be possible without the generous support of all our sponsors. They are listed on the inside cover of this catalogue, I encourage you to support them as they support us. Without their continued sponsorship, the Exhibition would not have grown to what it is today. On behalf of the Elected Members, we congratulate all businesses and community groups associated with the Exhibition for their assistance in backing and organising such an enjoyable, and unique Yorke Peninsula event.

I would also like to draw your attention to the other art projects occurring around the region over this weekend – the Tiddy Widdy Beach Stobie Pole project, the Southern Yorke Peninsula Water Tower Mural project and the new community mural being painted at Weaners Flat, Yorketown.

Finally, I sincerely thank you all for your sense of community and contributing to this major cultural event that celebrates creativity on the Yorke Peninsula.

Mayor Darren Braund

Yorke Peninsula Council

Chairperson's Welcome

The 2021 Yorke Peninsula Art (YP) Exhibition Working Party is proud to present this exhibition program by local and wider South Australian artists. It is being held over the Easter break, across three Yorke Peninsula locations – Ardrossan (fine art / painting), Edithburgh (sculpture) and Yorketown (photography).

As Chairperson of the 2021 YP Art Exhibition Working Party, I am proud to be associated with this dedicated group of volunteers and Council staff. I also acknowledge all past members of the Working Party for their vision and commitment without whom, the YP Art Exhibition wouldn't exist and be the much loved, and respected event it is today.

On behalf of the Working Party, I would like to thank our six Judges who have taken on the difficult task of awarding prizes across the many categories on offer.

I also extend my congratulations to all exhibitors and local schools (and their teachers) for producing such wonderful works of art and supporting this venture by re-registering in 2021. Similarly, a big thank you goes out to our Yorke Peninsula community and all the visitors who will holiday in our region and see the Exhibition over the 2021 Easter long-weekend.

I am confident you will enjoy and appreciate the efforts of our many artists (young and not so young) and everyone who has worked towards presenting such a diverse and quality exhibition program.

About the Exhibition

The Yorke Peninsula (YP) Art was first held in 1999 over the October long-weekend and then moved to the Easter long-weekend and a biennial event in 2002. Previously Coordinated by a Section 41 Committee of the Yorke Peninsula Council, the Exhibition is now coordinated through a volunteer and staff Working Party to plan, support and promote creativity and the arts within our community.

Due to Covid restrictions imposed in 2020, the Exhibition will celebrate its 11th year in 2021 and move back to its Biennial rotation from this year.

The Yorke Peninsula Art Exhibition is a major cultural event on the beautiful and iconic Yorke Peninsula. The exhibition attracts a wide variety of entrants from across the state and provides the perfect addition to an Easter break on Yorke for locals and visitors alike.

A regionally inspired art exhibition, the diverse art programme includes local schools / school students and is held at three key venues – Ardrossan (fine art / painting), Edithburgh (sculpture) and Yorketown (photography). In addition, we have a number of public art and mural projects also worth visiting as part of the YP Art Trail. Adding even more opportunities to experience and meet the wide range of art and artists (of all ages) on the Yorke Peninsula.

Through art and creativity, Council is committed to attracting visitors to rural areas and less visited attractions and locations, as they continue to promote our region as a desirable holiday destination –that is less than two hours from Adelaide. The Working Party recognises that artists and business entrepreneurs make an important contribution to Australian society, the economy and assist in driving tourism by providing creative approaches to regional development.

The YP Art Exhibition has won two SA Great Regional Awards for Art in 2006 and 2008, an Advantage SA Award in 2010 and were admitted into the Hall of Fame in 2010 for recognition of “outstanding achievements and significant contributions demonstrating excellence in regional leadership”.

Our diverse exhibition program and support continues to grow. It includes strong involvement from local schools and students, as well as attracting well-known and new artists across the region and the state.

Thank you for visiting and joining us this Easter break as we celebrate and support local creativity.

Join our mailing list to stay up to date with the latest information for the YP Art Exhibition. Monthly newsletters are sent with all the latest updates and information for artists, participants and the community.

SCHOOL EXHIBITION

About the Exhibition

The YP Art Exhibition has had a long standing tradition of supporting the students of the Yorke Peninsula by inviting them to exhibit alongside the more experienced artists of the region.

We continue to be amazed by the depth of talent the YP students possess and it is a testament to the support of their art teachers and the schools of the region.

We congratulate all the students who have submitted their work this year and encourage them to keep exploring their creativity . We look forward to seeing their work one day in the Open Section!

The categories this year are aligned with the standard school structure of:

Junior School—Reception to Year 2

Primary School—Year 3 to Year 6

Middle School—Year 7 to Year 9

Senior School—Year 10 to Year 12

Each year category will receive a first and second prize. There is also a People's Choice Award, voted for by the public over the Easter Weekend. Following the exhibition an Art Supplies voucher will be awarded to a School who has tallied the most points from this years Exhibition as determined by the Working Party
